

Careers at Fichtner UK & Ireland

Speculative Application

Stockport (Head Office), Glasgow, Dublin Based

Speculative applications are always welcomed from professionally qualified engineers/consultants with experience in either thermal process technologies, renewable energy, or electrical power generation. All applications will be acknowledged and retained for future opportunities, in line with the strict requirements of UK data protection legislation.

Please send speculative applications to recruitment@fichtner.co.uk

Please note that you must have the right to work in the UK to be considered.

What we offer

At Fichtner we greatly value our employees and offer a flexible approach to the working environment. We have a team of mental health first aiders and wellbeing champions on hand for support and provide the opportunity for our staff to give back to our local community, through charitable events, STEM, and community work experience. We operate with the mantra that we all look out for each other, making sure we continually review our working practices to create the best experience for all. As part of the team, you can expect:

- A competitive salary with a leading bonus scheme of up to 20% of salary
- Hybrid working with modern easy access offices
- Opportunity to purchase company shares after a qualifying period
- Significant training, development, and career growth opportunities
- Financial support with professional fees/memberships
- Company electrical vehicle car leasing scheme
- Private medical & life assurance
- Cycle to work scheme
- Team and company social events, including a family barbecue, Christmas Party, and team activities
- Milestone scheme celebrating years spent as part of the Fichtner team!

Roles are normally based from our Stockport head office; however, we also recruit throughout the year for our Dublin, Glasgow and Belfast offices.

Fichtner Consulting Engineers is committed to eliminating discrimination and encouraging diversity amongst our workforce. Our aim is that our workforce will be truly representative of all sections of society and that each employee feels respected and able to give of their best every day.
