

## Job Profile

### Senior Consultant – Renewable Energy

Based from Stockport Office

---

#### Who are we?

Fichtner is global engineering consultancy established in 1922 with over 2000 employees over 170 countries. Within the UK and Ireland our engineers and consultants are involved in some of the most innovative energy projects across the UK providing design, intellectual, and engineering services to developers, investors, owners, and operators. Projects in development, construction, or operation in the UK and Ireland, include more than:

- 60 major thermal power plants, across the waste, biomass, and conventional power sectors
- 10 GWh of battery storage
- 5 GW of solar
- 7 GW of on-shore and off-shore wind
- 5 GW of pumped storage hydro projects
- 20 carbon capture projects, aiming to capture and permanently sequester more than 5 million tonnes of CO2 per annum

We have over 175 employees that we are proud to have represent us, operating from our offices in Manchester, Belfast, Dublin and Glasgow. As the business grows from strength to strength, we are now looking to further extend our team by recruiting an experienced CAD Technician. This position will be based from our head office in Stockport.

#### What are we looking for?

- We are looking to recruit a CAD technician to strengthen our support to our Renewables team.
- Educated to a minimum of A-level - level 3.
- Experience using Autocad for production of 2D drawings.
- Experience using PV Case would be an advantage to but not a necessity.
- Prior experience of working in a professional office environment e.g. consultancy, professional services, or similar office environment.
- Experienced in producing engineering drawings to include:
  - *General arrangements, Site Layout and detail drawings.*
- Strong communicator, both verbal and written, with good business acumen.
- Able to build and maintain work relationships across all levels of seniority within the business.
- Excellent skills with Microsoft Outlook, Project, Word, and Excel.
- Able and willing to travel for very occasional site meetings in the UK or Ireland

#### What you can expect from us:

At Fichtner we greatly value our employees and offer a flexible approach to the working environment. We have a team of mental health first aiders and wellbeing champions on hand for support and provide the opportunity for our staff to give back to our local community, through charitable events, STEM, and community work experience. We operate with the mantra that we all look out for each other, making sure we continually review our working practices to create the best experience for all. As part of the team, you can expect:

- A competitive salary with a leading bonus scheme of up to 20% of salary
- Hybrid working with modern easy access offices
- Opportunity to purchase company shares after a qualifying period
- Significant training, development, and career growth opportunities
- Financial support with professional fees/memberships
- Company electrical vehicle car leasing scheme
- Private medical & life assurance
- Cycle to work scheme

- Fitness trainer provided every week for group boot camps
- Team and company social events, including a family barbecue, Christmas Party, and team activities
- Milestone scheme celebrating years spent as part of the Fichtner team!

If you are interested in applying for this role, please email [recruitment@fichtner.co.uk](mailto:recruitment@fichtner.co.uk) with your CV and a brief cover letter to introduce yourself and let us know why you are a good fit for us.

When sending over your CV, please take a moment to review our [privacy statement](#) regarding how we process your personal data within our recruitment process.

*Fichtner Consulting Engineers is committed to eliminating discrimination and encouraging diversity amongst our workforces. Our aim is that our workforce will be truly representative of all sections of society and that each employee feels respected and able to give of their best every day.*
