

Job Profile

Civil/Structural Consultant

Based from Stockport Office

Who are we?

Fichtner is a global engineering consultancy founded in 1922, employing over 2,000 people across 170 countries. In Ireland and the UK, our engineers and consultants contribute to some of the most innovative energy projects, offering design, intellectual, and engineering services to developers, investors, owners, and operators. Our projects, whether in development, construction, or operation, include more than:

- 60 major thermal power plants, across the waste, biomass, and conventional power sectors
- 10 GWh of battery storage
- 5 GW of solar
- 7 GW of on-shore and off-shore wind
- 5 GWh of pumped storage hydro projects
- 20 carbon capture projects, aiming to capture and permanently sequester more than 5 million tonnes of CO₂ per annum

We have over 185 employees that we are proud to have represent us, operating from our offices in Manchester, Belfast, Dublin, and Glasgow. As the business grows from strength to strength, we are now looking to further extend our team by recruiting a senior grade civil/structural engineer to work out of our Stockport office 3 days a week, with home working or site/client travel on the other 2 days.

What are we looking for?

- A good degree in either Civil or Structural Engineering;
- Have achieved, or be actively working towards, ICE or IStructE professional chartered membership;
- Recent technical experience gained with civils projects; ideally from a consultancy, with renewable energy or electrical transmission project knowledge
- Experience of conducting quality inspections of materials and methods such as pre-formed and cast concrete structures, drainage, and steelwork
- A good understanding of foundation piling, UK and European building codes and geotechnical studies
- The ability to produce and explain high quality technical reports and feasibility studies for clients
- Comfortable in interpreting engineering drawings, design specifications and functional descriptions
- Fully conversant with Microsoft Office
- Knowledge of CDM Regulations and risk assessments, able to identify quality issues and design risks
- Able to work effectively as part of a multi-disciplinary project team
- A full driving licence and vehicle for travel to sites/meetings

What you can expect from us:

At Fichtner we greatly value our employees and offer a flexible approach to the working environment. We have a team of mental health first aiders and wellbeing champions on hand for support and provide the opportunity for our staff to give back to our local community, through charitable events, STEM, and community work experience. We operate with the mantra that we all look out for each other, making sure we continually review our working practices to create the best experience for all. As part of the team, you can expect:

- A competitive salary with a leading bonus scheme of up to 20% of salary
- Hybrid working with modern easy access offices
- Opportunity to purchase company shares after a qualifying period
- Significant training, development, and career growth opportunities
- Professional memberships fees paid
- Company electrical vehicle car leasing scheme

- Private medical & life assurance
- Cycle to work scheme
- Team and company social events, including a family barbecue, Christmas Party, and team activities in the UK
- Milestone scheme celebrating years spent as part of the Fichtner team!

If you are interested in applying for this role, please email recruitment@fichtner.co.uk with your CV and a brief cover letter to introduce yourself and let us know why you are a good fit for us.

When sending over your CV, please take a moment to review our [privacy statement](#) regarding how we process your personal data within our recruitment process.

Fichtner Consulting Engineers is committed to eliminating discrimination and encouraging diversity amongst our workforce. Our aim is that our workforce will be truly representative of all sections of society and that each employee feels respected and able to give of their best every day.
