

## 1 SPECULATIVE APPLICATIONS

Speculative applications are always welcomed from professionally qualified engineers/consultants with experience in either thermal process technologies, renewable energy, or electrical power generation. All applications will be acknowledged and retained for future opportunities, in line with the strict requirements of GDPR legislation.

**Please send speculative applications to [recruitment@fichtner.co.uk](mailto:recruitment@fichtner.co.uk)**

### What we offer:

A well-rounded package including competitive basic salary, 25 day's annual leave, car allowance, contributory private pension, medical scheme, life assurance, company bonus and significant training and development programme.

Roles are based from our Stockport head office or potentially our offices in Belfast or Dublin.

Fichtner Consulting Engineers is committed to eliminating discrimination and encouraging diversity amongst our workforce. Our aim is that our workforce will be truly representative of all sections of society and that each employee feels respected and able to give of their best every day.
